### Statement on extending the validity of the EC certificate for medical devices

Schulke CZ, s.r.o. declares that it has met all the requirements under Article 120 3c of Regulation 745/2017 for placing medical devices on the EU market. The validity of the existing certificate is extended until 31.12.2028.

We have attached a letter confirming compliance with legislative requirements.

Please contact us if you have any questions.

Your sincerely,

Ing. Andrea Lattenbergova  
Marketing & Medical Affairs Director
