

This architectural floor plan depicts a large, symmetrical building with a central corridor and multiple wings. The plan is oriented with a north arrow pointing towards the top right. The central corridor runs horizontally across the middle of the building. On the left side, there is a large room with a circular feature, possibly a fountain or a large table, and several smaller rooms. On the right side, there is a long wing with a series of rooms, each with a small circular feature, possibly a window or a door. The plan is drawn with a grid system, with lines indicating the walls and the layout of the rooms. The drawing is a black and white line drawing, typical of architectural plans.
