## ATTESTATION

We undersigned LABORATOIRES SARBEC attest that **MEDIWIPES DM Products** (formula 998077) are suitable for the cleaning and disinfection on heads of ultrasound scanners under the following conditions:

- Recommendations of the precautions for use and instructions for use given by LABORATOIRES SARBEC on the products labelling must be respected.
- Recommendations of the precautions for use and instructions for use given by the manufacturer of ultrasound scanners' heads do not state any counter-indications for the use of MEDIWIPES DM products, according to the chemical composition of the impregnation solution.

Written in Neuville-en-Ferrain, the 22<sup>nd</sup> of September 2014,

Jennifer Gueneau
