## Confirmation/MediSoap Neutral (218570)

Dear Mrs. Zalewska,

we are happy to confirm that the product MediSoap Neutral (218570) is a high-quality washing lotion that can also be used to remove ointment residue from the skin.

To avoid skin irritation, the product is free of perfumes and has a pleasant smell.

For further informations please do not hesitate to contact us.

With best regards

Dirk Rehage  
Vertriebsleiter

Jan Wachendorff  
Geschäftsführer
