

Architectural drawing of a technical room (Pom. techniczne) showing a complex piping system for water and sewage. The room is bounded by grid lines A, B, 1, and 2. The drawing includes a red line indicating the layout of the piping system. Key components include:

- Rozdzielnica TOPS**: Water separator on the left.
- pompa odwodnienia posadzki**: Floor drainage pump on the right.
- szafa zasilająco-sterownicza filtra samopłuczącego**: Control cabinet for the self-cleaning filter on the right.
- Pumps and Valves**: GR1, GR2, P.1/19, P.2/19, P.3/19, P.4/19, P.5/19, ZH/19.
- Piping**: DN125, DN100, DN80.
- Room Label**: Pom. techniczne, Gres 34.32.
- Scale**: 1:100.
- North Arrow**: Indicated by a red arrow pointing upwards.
- Existing Concrete Road**: DROGA BETONOWA ISTNIEJĄCA at the bottom.
