Information about the cancellation of an order in the field of science

REFERS TO:

The public procurement procedure was conducted in accordance with Art. 11 section 5 point 1) of the Act of September 11, 2019 Public Procurement Law (Journal of Laws of 2023, item 1650, as amended). The subject of the order was the delivery of a device for testing the efficiency of particle filtration (case reference number FO-Z/ŁIT/7/2023/N).

The Ordering Party informs that the procedure in question has been invalidated.

JUSTIFICATION

The Ordering Party, in the content of the Notice of the awarded contract in the field of science, i.e., Supply of a device for testing the efficiency of particle filtration, case number FO-Z/ŁIT/7/2023/N along with the terms of the awarded contract, in point 8. The description of the method of preparing offers specified the form of submitting the offer: "5. The offer form (Appendix No. 1 to the Announcement) and the completed product and price sheet (Appendix No. 2 to the Announcement) must be signed (signed) with a qualified electronic signature or a trusted signature or the personal signature of a person authorized to act on behalf of the Contractor under pain of invalidity. and then in point 8.18 "Qualified signatures used by Contractors to sign all files must comply with "Regulation of the European Parliament and of the Council on electronic identification and trust services for electronic transactions in the internal market (eIDAS) (EU) No. 910/2014 - from 1 July 2016 ".

The offer of QUANZHOU GESTER INTERNATIONAL CO.,LTD was submitted in electronic form, as a file (.pdf), but without a qualified electronic signature, trusted signature or personal signature required in the Contract Award Notice.

in the field of science along with the terms of the contract.

Due to the fact that the only offer submitted in the proceedings in question does not meet the formal requirements provided for in the Notice of procurement in the field of science entitled Delivery of a device for testing the efficiency of particle filtration (case reference number FO-Z/ŁIT/7/2023/N) The Ordering Party invalidates the contract award procedure.
