

Technical drawing of a square tile with a central circular hole and a sunburst pattern. The tile is 500mm square with a 250mm side offset from the center. The central hole has a diameter of 1000mm. The sunburst pattern consists of 24 rays. A green circle is drawn around the tile, and a vertical strip of tiles is shown to the right.

Architectural drawing of a planter detail (DETAL D) showing three planters with akebia plants. The drawing includes dimensions: 400mm height, 395mm depth, 200mm width, and 300mm spacing. A side view shows the planter's profile with a 200mm depth and 1000mm total width.

A large, dense, rounded bush of ivy with thick, green, oval-shaped leaves, growing against a light-colored wall. The leaves are glossy and have prominent veins. The bush is very full and rounded, with many leaves overlapping. The background is a plain, light-colored wall.

A row of tall, slender, blue-green coniferous trees, likely Blue Spruce, planted in a garden bed. The trees are densely packed and have a columnar growth habit. The foliage is a vibrant blue-green color. In the background, there are other plants and a white fence.
