

This is a detailed architectural site plan for a residential development. The plan shows a large rectangular building complex with a central courtyard. Key features include:

- Swimming Pool:** A large rectangular pool with a curved end, surrounded by a paved deck and landscaping.
- Sports Field:** A rectangular field, likely for basketball or volleyball, located near the pool.
- Parking:** Numerous parking spaces are distributed around the perimeter of the building complex.
- Landscaping:** The plan includes extensive landscaping with various types of trees (represented by different symbols) and shrubs.
- Infrastructure:** The plan shows a network of roads, paths, and utility lines (water, sewer, gas). It also includes technical details like elevations, dimensions, and material specifications.
- Orientation:** A north arrow is located in the top right corner of the plan.

The plan is highly detailed, with many labels for specific areas, rooms, and infrastructure elements. It appears to be a professional engineering drawing used for construction purposes.

A hand-drawn diagram of a building layout, possibly a floor plan, with rooms labeled E11, E12, and E13. The drawing is on a piece of lined paper with a red border. The layout shows a central corridor or open area with several rooms branching off. Room E11 is at the top left, E12 is in the middle left, and E13 is at the bottom left. There are also some smaller, unlabeled rooms and a large open area on the right side.
