<b>WP1-63</b>	<b>Łącznik do biurka</b>	<b>Podstawowy</b>
 <p>The image shows a 3D perspective view of a wooden desk connector. It is a curved, L-shaped piece designed to join two desks. The top surface is a smooth, curved wooden board. The side and bottom surfaces are also curved to match the top. The dimensions are indicated with arrows: a width of 650 mm across the top, a depth of 650 mm along the side, and a height of 760 mm from the base to the top edge.</p>
