

Forgetting to remember,
remembering to forget

WHAT WE DO

We develop new management models to give back value to underused historical heritage in urban spaces. The models consider public and private cooperation and ask Cultural and Creative Industries operators to participate in the enhancement of building's hidden potential. Thanks to the active involvement of the stakeholders in designing possible future uses, the sites will act as new centres in the cultural and creative life of these cities.

WHO WE ARE

Partners from seven Central European countries join their forces to improve environmental management in urban areas.

Croatia

- City of Rijeka

Czech Republic

- Statutory City of Usti nad Labem

Germany

- City of Nuremberg

Hungary

- Cultural Innovation Competence Centre Association

Italy

- Municipality of Genoa
- Lombardy Region

Poland

- City of Bydgoszcz
- City of Warsaw

Slovenia

- Institute for Economic Research
- Regional Development Agency of the Ljubljana Urban Region

In order to reach the project aim the partners will work in strong cooperation with local Cultural Creative Industries clusters. Some partner cities have already institutionalised CCI clusters while others have already worked with the network of local CCI.

Who funds us

Our project is funded by the Interreg CENTRAL EUROPE Programme that encourages cooperation on shared challenges in central Europe.

With 247 million Euros of funding for the period 2014/2020 from the European Regional Development Fund, the Programme supports institutions to work together beyond borders to improve cities and regions in Austria, Croatia, Czech Republic, Germany, Hungary, Italy, Poland, Slovakia and Slovenia.
