**Sani-Cloth® AF Usage**

To whom it may concern,

We, the undersigned, producer of Sani-Cloth® AF wipes, declare that our product can be used to clean and disinfect the surfaces of non-invasive medical devices sensitive to alcohol, including ultrasound heads and probes. Always check the manufacturers instructions for use and follow the manufacturers recommendations of cleaning and disinfection products which are compatible.

Sani-Cloth® AF wipes should always be used in accordance with the instructions for use on the label.
