

The image contains two technical drawings of a mechanical assembly. The left drawing is a cross-sectional view, indicated by a vertical red dashed line, showing the internal components of a cylindrical housing mounted on a square base. The right drawing is an isometric view of the same assembly, showing the external cylindrical housing and its mounting on the square base with four mounting holes.

Technical drawing of a mechanical part with dimensions: 20, 5, 13, 9, 12.5.
