PRIZED UP NALISA

Prized up Nalisa was a young female black Labrador Retriever puppy born on 10/10/98. She was bred by Mr. & Mrs. J. H. Smith, who are experienced breeders of purebred dogs. Prized up Nalisa was born from a litter of six puppies, three males and three females. She was the only one of her sex to be kept by the breeder.

Prized up Nalisa was brought up in a loving and caring environment, where she received plenty of attention and exercise. She was trained in basic obedience commands and socialized with other dogs and people from a very early age. As a result, she is a well-behaved and friendly dog who gets along well with everyone.

Prized up Nalisa has a beautiful coat of black fur, which is glossy and healthy. Her eyes are dark and bright, and her ears are large and floppy. She has a sturdy build and is full of energy. She loves to play fetch and go for walks in the park.

Prized up Nalisa is a true companion dog who will bring you endless joy and happiness. She is loyal, affectionate, and intelligent. If you are looking for a new family member, Prized up Nalisa is definitely worth considering.
