Refers: the proceedings are conducted by way of open tender, in accordance with Article 132 of the Act of 11 September 2019 – Public Procurement Law Act (consolidated text Journal of Laws of 2023, item 1605, as amended), for the selection of a Contractor for the delivery of klystrons (2 pcs.) for National Synchrotron Radiation Centre SOLARIS

NOTIFICATION OF THE CANCELLATION OF THE PROCEDURE

Dear Sirs,

We kindly inform that the procedure has been cancelled pursuant to the provisions of art. 255 point 2 of the Act of 11 September 2019 - Public Procurement Law (consolidated text: Journal of Laws of 2023, item 1605, as amended), due to the fact that all submitted offers were subject to rejection.

The offer number 1 submitted by ScandiNova Systems AB, Typsnittsgatan 15, 75454 UPPSALA, Sweden, was rejected pursuant to Article 226, section 1, point 5 of the PPL Act, as its content was inconsistent with the Terms of Reference. The Contractor did not attach a detailed bid price calculation to the offer, which, according to the provisions of the ToR, was a mandatory annex to the bid form. Additionally, the Contractor failed to attach the qualitative evidence required by the Terms of Reference. Due to the absence of the bid price calculation, the offer did not specify the subject of the contract being offered. In the Contracting Authority's opinion, this deficiency is irremediable, and any explanations or additions in this respect would result in inadmissible negotiations.

In view of the above, the Contracting Authority decided as stated at the beginning.

The above decisions may be appealed. Detailed information on legal remedies is specified in Section IX "Legal remedies" of the Public Procurement Law Act.

Thank you for submitting your offer and participating in the tender.

Yours faithfully

Anna Łukasik-Socha
