

Technical drawing of a building floor plan showing a grid system with dimensions and structural details. The drawing includes a central rectangular area with dimensions 1000 (width) and 2000 (height). A vertical dimension of 1090 is also shown. The grid consists of vertical lines spaced at 500 units and horizontal lines spaced at 500 units. Structural details include columns labeled A, B, and C, and beams labeled 2.6/4.0. Dimensions for columns and beams are provided, such as $\phi 42$, $\phi 60$, $\phi 80$, and $\phi 48$. A section line A-A is indicated. The drawing also shows a foundation level at -1000 and a ground level at ± 0.00 . The overall width of the structure is approximately 2500 units.
