

[illegible][illegible]

Fig. 1 is a technical drawing of a mechanical assembly, likely a pump or engine component, shown in a side view. The drawing includes various components labeled with letters and numbers, and dimensions are provided for scale.

Components and Labels:

- 27**: A vertical shaft or rod on the left side.
- 27'**: A vertical shaft or rod on the right side.
- 28**: A horizontal shaft or rod connecting the two vertical shafts.
- 28'**: A horizontal shaft or rod on the right side.
- 29**: A horizontal shaft or rod on the right side.
- 30**: A horizontal shaft or rod on the right side.
- 31**: A horizontal shaft or rod on the right side.
- 32**: A horizontal shaft or rod on the right side.
- 33**: A horizontal shaft or rod on the right side.
- 34**: A horizontal shaft or rod on the right side.
- 35**: A horizontal shaft or rod on the right side.
- 36**: A horizontal shaft or rod on the right side.
- 37**: A horizontal shaft or rod on the right side.
- 38**: A horizontal shaft or rod on the right side.
- 39**: A horizontal shaft or rod on the right side.
- 40**: A horizontal shaft or rod on the right side.
- 41**: A horizontal shaft or rod on the right side.
- 42**: A horizontal shaft or rod on the right side.
- 43**: A horizontal shaft or rod on the right side.
- 44**: A horizontal shaft or rod on the right side.
- 45**: A horizontal shaft or rod on the right side.
- 46**: A horizontal shaft or rod on the right side.
- 47**: A horizontal shaft or rod on the right side.
- 48**: A horizontal shaft or rod on the right side.
- 49**: A horizontal shaft or rod on the right side.
- 50**: A horizontal shaft or rod on the right side.
- 51**: A horizontal shaft or rod on the right side.
- 52**: A horizontal shaft or rod on the right side.
- 53**: A horizontal shaft or rod on the right side.
- 54**: A horizontal shaft or rod on the right side.
- 55**: A horizontal shaft or rod on the right side.
- 56**: A horizontal shaft or rod on the right side.
- 57**: A horizontal shaft or rod on the right side.
- 58**: A horizontal shaft or rod on the right side.
- 59**: A horizontal shaft or rod on the right side.
- 60**: A horizontal shaft or rod on the right side.
- 61**: A horizontal shaft or rod on the right side.
- 62**: A horizontal shaft or rod on the right side.
- 63**: A horizontal shaft or rod on the right side.
- 64**: A horizontal shaft or rod on the right side.
- 65**: A horizontal shaft or rod on the right side.
- 66**: A horizontal shaft or rod on the right side.
- 67**: A horizontal shaft or rod on the right side.
- 68**: A horizontal shaft or rod on the right side.
- 69**: A horizontal shaft or rod on the right side.
- 70**: A horizontal shaft or rod on the right side.
- 71**: A horizontal shaft or rod on the right side.
- 72**: A horizontal shaft or rod on the right side.
- 73**: A horizontal shaft or rod on the right side.
- 74**: A horizontal shaft or rod on the right side.
- 75**: A horizontal shaft or rod on the right side.
- 76**: A horizontal shaft or rod on the right side.
- 77**: A horizontal shaft or rod on the right side.
- 78**: A horizontal shaft or rod on the right side.
- 79**: A horizontal shaft or rod on the right side.
- 80**: A horizontal shaft or rod on the right side.
- 81**: A horizontal shaft or rod on the right side.
- 82**: A horizontal shaft or rod on the right side.
- 83**: A horizontal shaft or rod on the right side.
- 84**: A horizontal shaft or rod on the right side.
- 85**: A horizontal shaft or rod on the right side.
- 86**: A horizontal shaft or rod on the right side.
- 87**: A horizontal shaft or rod on the right side.
- 88**: A horizontal shaft or rod on the right side.
- 89**: A horizontal shaft or rod on the right side.
- 90**: A horizontal shaft or rod on the right side.
- 91**: A horizontal shaft or rod on the right side.
- 92**: A horizontal shaft or rod on the right side.
- 93**: A horizontal shaft or rod on the right side.
- 94**: A horizontal shaft or rod on the right side.
- 95**: A horizontal shaft or rod on the right side.
- 96**: A horizontal shaft or rod on the right side.
- 97**: A horizontal shaft or rod on the right side.
- 98**: A horizontal shaft or rod on the right side.
- 99**: A horizontal shaft or rod on the right side.
- 100**: A horizontal shaft or rod on the right side.

Dimensions:

- Vertical dimensions on the left: 805, 690, 115, 465, 90.
- Horizontal dimensions at the bottom: 850, 1365.
- Horizontal dimensions on the right: 419, 625, 625, 625, 95, 5.

Section Line A-A: A horizontal line with arrows at both ends, labeled 'A' at the left end and 'A'' at the right end, indicating a cross-section through the assembly.
