

This architectural section drawing illustrates a building facade with two doors and structural columns. The drawing includes the following dimensions and features:

- Vertical Dimensions (Left Side):**
 - Top section: 59
 - Middle section: 140
 - Bottom section: 90
- Vertical Dimensions (Right Side):**
 - Door height: 288
 - Column height: 311
- Horizontal Dimensions (Bottom):**
 - Left column width: 45
 - Distance between first door and second column: 350
 - Column width: 46
 - Distance between second column and second door: 355
 - Right column width: 45
 - Total width: 841
- Other Features:**
 - Two doors are shown, each with a handle and a lock.
 - Structural columns are indicated by hatched areas.
 - A level marker $\pm 0,00$ is shown near the base of the second column.
 - Dashed lines indicate the continuation of the structure above the roofline.

Architectural floor plan of a room. The plan shows a rectangular room with a door on the right wall and two windows on the left wall. Dimensions are provided for walls, openings, and overall room size. A level marker $\pm 0,00$ is indicated near the bottom left corner.

Measurement Type	Value (mm)
Left Wall Thickness	45
Window 1 Width	220
Window 2 Width	114
Window 3 Width	116
Door Width	116
Right Wall Thickness	45
Overall Room Width	841
Left Wall Height	289
Door Height	311
Right Wall Height	288

Architectural elevation drawing of a building facade. The drawing shows a central door and two windows. The dimensions are as follows:

- Central door height: 273
- Central door width: 116
- Window height (each): 274
- Window width (each): 45
- Distance between window frames: 34
- Distance from window frame to door frame: 18
- Distance from door frame to next window frame: 307
- Total width: 841
- Height of the facade: 274
- Level marker: $\pm 0,00$
