102	Updated to current DoC template (from 003 to 106), which includes moving the SKUs from Appendix 1 to an attached spreadsheet. Removed Kent Legal Manufacturer address as Smiths Medical ASD, Inc. is the current Legal Manufacturer. Changed the EU Representative from the Ashford, UK facility to the Hranice, Czech Republic facility. An EU Representative is needed if a product is commercially distributed in the EU and not manufactured in the EU. Since Ashford will no longer be part of the EU, due to Brexit, the EU Representative was changed from the Ashford facility to the Hranice facility. Updated notified body number (from 0086 to 2797) as BSI is migrating issued certificates from the UK to the Netherlands due to Brexit. The EC Certificate number remains the same. #### Dodatek 1: Historia wersji

Numer wersji	Podsumowanie zmian/ dodatków	Stworzone/ poprawione przez	data
100	Pierwsza wersja projektu NPI PAEDS 1559 z edycjami FDA dla użytku domowego w IFU; Częściowa zgodność z ISO 5366; i Hythe jako LM.	Kristen Evenson	25.06.2018
101	Poprawiono adres Tijuany Dodano rurki tracheostomijne BLUselect, BLUselect Rurki tracheostomijne z odsysaniem i BLUselect Tracheostomia Wewnętrzne kaniule BLUgriggs Zestawy do przezskórnej dylatacji tracheostomijnej BLUperc Zestawy do przezskórnej dylatacji tracheostomijnej LM Zmiana z Hythe w Wielkiej Brytanii do Minneapolis w stanie Minnesota Dodano Hranice, Republika Czeska jako miejsce produkcji. Zmieniono sygnatariusza, ponieważ Donna Semlak nie pracuje już w Smiths Medical.	Kristen Evenson	18.01.2019
102	Zaktualizowano do aktualnego szablonu DoC (od 003 do 106), który obejmuje przeniesienie jednostek SKU z Załącznika 1 do załączonego arkusza kalkulacyjnego. Usunięto adres legalnego producenta w Kent, ponieważ aktualnym legalnym producentem jest Smiths Medical ASD, Inc. Zmiana przedstawiciela UE z Ashford w Wielkiej Brytanii na Hranice w Czechach. Przedstawiciel UE jest potrzebny, jeśli produkt jest dystrybuowany komercyjnie w UE i nie jest produkowany w UE. Ponieważ Ashford nie będzie już częścią UE z powodu Brexitu, przedstawiciel UE został zmieniony z zakładu w Ashford na zakład w Hranicach. Zaktualizowano numer jednostki notyfikowanej (od 0086 do 2797), ponieważ BSI przenosi wydane certyfikaty z Wielkiej Brytanii do Holandii z powodu Brexitu. Numer Certyfikatu WE pozostaje bez zmian.
